Instructions to Complete CITI RCR Training

Log into CITI: Copy and paste the following URL into your web browser: https://www.citiprogram.org. Follow the instructions to log into CITI.

If you are new to CITI Program, you will need to Register (create) a new account, including a CITI Program username and password.

There are two options when creating a CITI Program account. Select Selecting your Organization Affiliation.

Search for and select University of New Mexico, Main Campus. Click the Create a CITI Program Account button to continue.

Next, click on the View Courses button, you will see a course listing for that institution. Choose the RCR Basic Course.
